America the Beautiful

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet,
Whose stern, empassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self control,
Thy liberty in law.

O beautiful for heroes proved
In liberating strife
Who more than self their country loved,
And mercy more than life!
America! America!
May God thy gold refine
Till all success be nobleness,
And every gain divine.

All boys were "timed" on the commando course and then grouped in "A," "B," and "C" sections according to their abilities.

The program is being constantly revised and improved. The only new activity added this year was boxing, which proved to be very popular.

• **This year, the committees of Student Council have done outstanding jobs. The War Department, with the aid of the student body, undertook to sell enough bonds to purchase a B-29, thus setting a goal of $600,000. With the contribution of a Chicago corporation added to the $895,776.75 which New Trier itself obtained, we came out with the startling sum of $1,395,776.75 in thirteen days. In addition, the War Department has done a fine job on organization so that the students may buy war stamps each week in their advisor room.**

Student Council (Cont.)

Another of Council's big problems has been the cleaning up of the mess hall after the lunch periods. By careful planning, a system was devised in which each table is assigned to certain students who are to see that it is kept clean. Although, the results are not perfect, definite progress has been made in the right direction. The honor system, contrived to decrease cheating, has been one of Council's biggest jobs. In this system each student signs his name and thus pledges himself not to cheat on exams. Combined with these important jobs, Council has sponsored the honor study halls which have now become a permanent part of New Trier. On the entertainment side has been the Hobby Show which was held on April 28; the purpose of this show is to interest others in hobbies and to give students a chance to exhibit outstanding collections. Very successful this year was the sale of Activity Tickets; 92% of the student body purchased these tickets this year. The contributions of Student Council are of great value and their importance cannot be overestimated by those who are in any way associated with New Trier.

TRI-SHIP

• The Tri-Ship Club, winding up its twentieth year of service, has presented a varied and extensive program of activities. Through these activities, the club has tried to foster its ideals of fellowship, sportsmanship, and citizenship among every boy at New Trier.

The activities sponsored by the club that were carried out this year include the Parents' Day Football Game, the five popular Tri-Ship Dances, the annual student talent show "Lagniappe," the Mother and Son Banquet, and the Homecoming Football Game. In cooperation with the newly formed Dads' Club, Tri-Ship also sponsored the Football Banquet and the Spring Athletic Banquet, and along with Student Council it sponsored the Hallowe'en Party. Tri-Ship has also presented to every freshman boy a booklet in order to acquaint him with the many organizations of the club.

In the nation's war effort, the club aided the Christmas Stocking Drive for hospitalized servicemen, the Scrap Drives in the villages, the French Clothing Drive, and the Red Cross Drive. It has also handled the Scrap Paper and Tin Can Salvage drives in school.

This year, the club has endeavored to keep up to date the two large serv-

Girls' Club . . .

GIRLS' CLUB

• The two main purposes of Girls' Club are to provide deserving girls with scholarships and to help the girls of New Trier become better friends. This year the officers and board of the club were glad they could help carry out the aims of Girls' Club, but know that this could not have been done without the help of every girl.

Our vice-president and her committee put on the largest Magazine Drive yet, and a large sum of money for scholarships went into our fund. The Financial Committee made new records selling hot-dogs at football games. The job of the

Employment Committee has been even greater since the war. First semester they filled 170 jobs. The Arrangements Committee kept our clubroom clean.

A new member, Keeper-of-the-Book, was added to the board. The book is a beautiful one from Miss Packer in which a record of Girls' Club is to be kept. This year all information on the preceeding years had to be found and entered. The Friendly and Social Committees were kept busy by giving the Friendly Banquet, Freshmen-Senior Party, Senior Suppers, and the Father-Daughter Dinner. These social gatherings were a success and everyone had lots of fun. The Charity Committee in conjunction with Tri-Ship handled many drives such as the Red Cross Drive, Clothes for European Refugees, and filling of stockings for servicemen at Christmas. Charity committee corresponds with the newly adopted son of Girls' Club. He is a boy of twelve in England that the club is supporting.

Without the Publicity Committee the Girls' Club events could not have been so successful. The members of this committee made banners and posters to publicize our many and varied events.

A word of thanks goes to Mr. Bernie for the senior class, under class officers, faculty, and the largest group pictures; to the Pontiac Engraving and Electrotype Company for the engraving; to the Lloyd Hollister Publishing Company who printed the Echoes; and to L. THE NEWS

• This year, the News has taken a leading part in placing before the students the question of three hour exams, as well as featuring frequent editorials on cheating, the Evanston-New Trier inter-school relationship, and greater participation in the school war activities.

Under the capable and untiring work of Edith Wells, the editor, and the staff, the New Trier students responsibilities towards his school and country have been given special emphasis. Among the interesting features offered this year were the popular "Meet" series, various other columns, and the "Behind the Scenes" articles.

This year's staff included Edith Wells, Editor-in-Chief; Violet Ward, Associate Editor; Jordan Lewis, Sports Editor; George Bushnell, News Editor; Barbara McNeill, Feature Editor; Judy Perry, Copy Desk Editor; Jackie Harris, Re-write Head; Shyrl Blaise, Advertising Manager; Dick Martin, Art Editor; Nancy Windes, Business Manager; and Pat Taylor, Circulation Manager.

INKLINGS

• Each year the students of New Trier display their writing ability through essays, verse, poems, and short stories in the annual literary magazine, Inklings. The members of the staff are chosen for their good judgment and general English competence. Together with the sponsor, Mr. Peterson, this staff selects what they consider the finest of the many proffered works. The Art Department under Miss Murphy provides excellent drawings and illustrations.

Inklings is a magazine of which we may well be proud. Some students are given a chance to display their creative ability; others find experience in the publishing of a magazine; and the entire school enjoys their combined efforts.

DRAMATICS

• Under the competent direction of Miss Stanwood and Mr. Coburn, four entertaining and successful plays were presented this school year. The productions of the season were "Pomander Walk," "Dear Octopus," and "A Connecticut Yankee in King Arthur's Court." The senior play "The Copperhead" was a grand climax to one of the finest dramatic years New Trier has ever known.

The New Trier Dramatic Club is one of the school's most well known organizations. By participating in one of the four major plays, a student becomes a member of the Dramatic Club; he is then entitled to attend all the regular meetings held throughout the year. These meetings are interesting and thoroughly enjoyable; new members are taken in, programs presented, and refreshments served. Those in the Dramatic Club are not only honored by being granted membership but are also part of a very vital organization. The officers were Bruce Plumer, president; Holgar Stockholm, vice-president, and Anne Curtiss, secretary.

The Broadcasting Club consists of a group of students who are interested in learning the techniques of directing and acting with a microphone. The members, with their own studio and control room, produce plays with the rest of the club acting as an audience. Mrs. Cavanaugh is the faculty sponsor of this organization.

The Actors' Guild of New Trier offers valuable dramatic experience to its members. The officers of this club are Al Augur, president; Janet Williams, vice-president, and Leontine Jameson, secretary. In order to become a member of Actors' Guild one must take part in one of the numerous short plays given after school. These plays are often stepping-stones to parts in major productions and offer good instruction and experience to the participants.

The light crew, headed by Mr. Jones, creates all lighting effects on the stage very often setting the mood of a play. Proper lighting does away with monotony and helps to establish realism. play. The boys of the stage and light crews devote much time and effort to their work and deserve more recognition and praise than they ordinarily receive.

The make-up crew helps the actor to create his character for the audience; the props crew takes charge of costumes and properties which the actor uses on the stage and helps the stage crew when a scene is shifted. Thus these crews help to establish reality for those who witness the play. Members of these crews derive pleasure from the interesting work as well as the knowledge that they are aiding in the successful production of a play.

The Verse Choir, under the direction of Mrs. Thurman, has earned a fine reputation for itself along the North Shore. This Choir is a group that studies the interpretation of poetry and recites, in unison, these poems. Through such work, the choir members gain a deeper appreciation and understanding of all types of Verse; in addition, much is learned from the valuable experience of working cooperatively in a large group.

Music

THE MUSIC DEPARTMENT

• Enrollment in the music department set a new record this year. Due to the large number of students, it was necessary to add a third glee club.

The first major project undertaken was the Christmas Concert, a gala event. Participating were the ensembles, choir, opera groups, glee clubs, and choruses. Immediately after the holidays work was begun on "The Gondoliers," the Gilbert and Sullivan operetta to be given. A double cast was used which included the following: The Duke of Plazo-Toro—David Hill, George Hinners; Luiz—Bill Gries, Jim Sharpe; Donald Bolero—Robert Edwards, Bruce Plumer, Roger Anderson; Marco—Bill Fraser, Bernard Bernardi; Guiseppe—John Townsend, Byron Warnes; Antonio—Roger Johnson, Louis Carpenter; Francesco—Burdett Martin; Giorgio—Richard Liepold, Herbert Herrick; The Duchess—Ellen Smith, Susan Moore; Casilda—Mary McMahon, Diana Moon; Giametta—Patsy Paulick, Marianna Hahl; Tessa—Sue Loucks, Allis Dennett; Fiametta—Patricia Lord, Harriet Darley; and Vittoria—Leona Berlin, Anne Curtiss.

Band and Orchestra

As a climax to the year's work, the combined choral groups presented the Spring Concert. Special selections were sung by the ensembles, directed by Mrs. Cotton and Miss Anderson, and the a cappella choir, under the direction of Mrs. Bradburn. The ensembles appeared at the U.S.O., Great Lakes and Fort Sheridan hospitals, various civic groups, and school assemblies. The choir also has rendered valuable outside service.

The musicians of New Trier have opportunity to exhibit their talents as well as enjoy the work of other students in the music clubs. Senior music club, including those most advanced, is sponsored by "Mama" Cotton, and Junior Music Club by Mrs. Bradburn.

CLUBS

• **One of the main aims of a club is to get people with the same interests together so that they can exchange their ideas thereby gaining new ones. Most of the clubs here at New Trier have officers who plan the programs under the supervision of the teacher-sponsor. Programs are in the form of lectures, discussions, working on hobbies, singing, etc.**

In the Boys' Career Club the members get-together to hear lectures on careers in which they might be interested. The club was started again this year and is sponsored by Mr. Christensen. Such careers as engineering and aeronautics have been presented to the boys. The Science Club, which is sponsored by Mr. Reynolds, studies various aspects of science, by means of field trips, lectures, and movies. Those in the Aeronautics Club, sponsored by Mr. Smith, study the mechanics and the art of flying.

All of the clubs at New Trier are under the direct supervision of Student Council. The Council decides what clubs are worth-while and eliminates those which are not. This year the Debate Team has made a fine record for itself. Those on the Debate Team engage other students of different schools and debate on topics of interest to both teams. The Gavel Club is for students who are interested in debating. Both of these clubs are sponsored by Mr. MacLean. The Forensic Board is in charge of the Debate and the Forensic meets.

Musicale is a club under the sponsorship of Mrs. Kidd and Miss Zimmerman, whose members meet in order to hear recordings of good music. Sometimes this club makes trips to hear an opera or some other musical show. The Concert Series Committee is made up of members from Musicale. These persons plan the concerts to which students of New Trier can subscribe. This year we heard the Indianapolis Symphony, the Golden Gate Quartet, an Operetta Group, and the Don Cossack Chorus. The Recorder Group is a class that meets during school in which students learn to play the recorder. This group is well known on the North Shore, as it has given many concerts.

In the Rifle Club, sponsored by Mr. Fearheiley, a chance is offered those who are interested in marksmanship to practice and better their skill in this art. Once a week these people meet and shoot on the range here at school. For students who want to learn more about the various phases of art, the Art League is offered. The members of this club are students who are interested in art and want to know more about it. Art League is sponsored by Miss Casella. Those students interested in building model railroads get together in the New Trier Society of Model Railroad Engineers. This club is sponsored by Mr. Landwer. In the Stamp Club, sponsored by Mr. Pifer, people interested in philately meet and trade with those whose stamps they want for their collection. This year the Geography Club is under the direction of Miss Flemington. In the meetings of this club the geography of an area interesting to all is studied.

The Oratorical Group is new this year and is under the direction of Mrs. Windoes. In this group people learn how to become experienced speakers. The Radio Club, under the sponsorship of Mr. J. R. Smith, is a very popular club at New Trier. In the meetings of this club the members learn about the fundamentals of radio and about radio engineering. Some of the members have their own operators license and after the war will be able to use them again. A group of students who perform a great service to the school is the Public Address Operators also under the sponsorship of Mr. J. R. Smith. They take care of the microphones and public address systems, that are used throughout the year at assemblies and banquets.

Any game is a challenge to sportsmanship and one of the best ways to improve this "ship" is to play games. In the Chess Club the members meet and play chess, not only to make their game a better one, but to make themselves better sports. This club is sponsored by Mr. Schumacher. When girls become juniors and seniors, they begin to look around at the positions that are open for women. In the Girls' Career Club an attempt is made to show girls the positions which are open to them. The club meets in the evening once a

VARSITY FOOTBALL

• New Trier's 1944 football team can well be acclaimed one of the greatest in the school's history. After dropping their first game to a strong Fenger eleven from the city, the Grey-Green won their seven remaining games in championship fashion, clinching the league title two weeks before the end of the season. The Triermen rolled up a total of 220 points for the year, better than 27 points a game, while holding their opponents to 130.

After losing to Fenger, New Trier faced Highland Park and handed the Parkers their only defeat of the year, 26-0. The following Saturday they scored in the first minute of play against Waukegan and then utilized their great defensive play to hand the Warriors a 13-0 setback. The Triermen struck with the same swiftness against Morton and compiled 34 points before giving the Mustangs a pair of consolation touchdowns in the final quarter.

At Oak Park, however, it was a different story, and New Trier proved her ability to come from behind by erasing an early 7-0 deficit to hand the Villagers their first defeat by a Grey-Green team in eight years, 14-7. The Triermen had to come from behind again when Proviso jumped off to an early lead, but the Pirates finally succumbed 27-12 in the game that was the title-clincher.

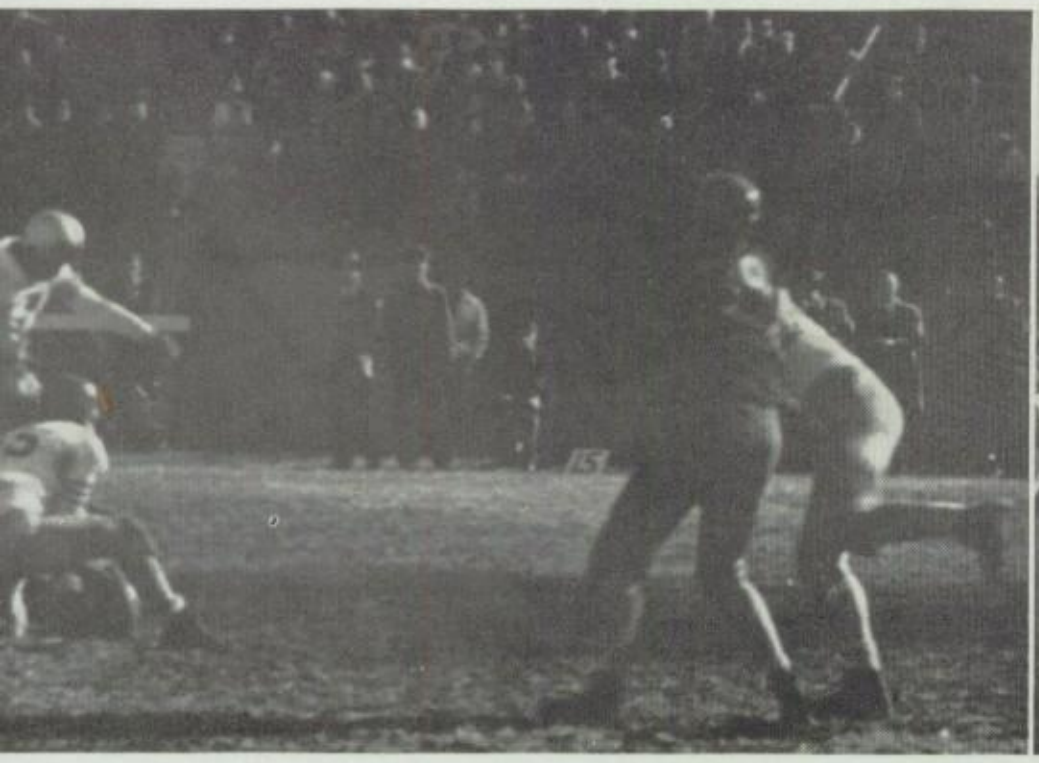
Row 2: Lockyer, Mills, Clark, Pearson, Drew, Michinard, Adams, Van Zuylen, Kearney, Bowler, Moyer, Campbell, Ely.

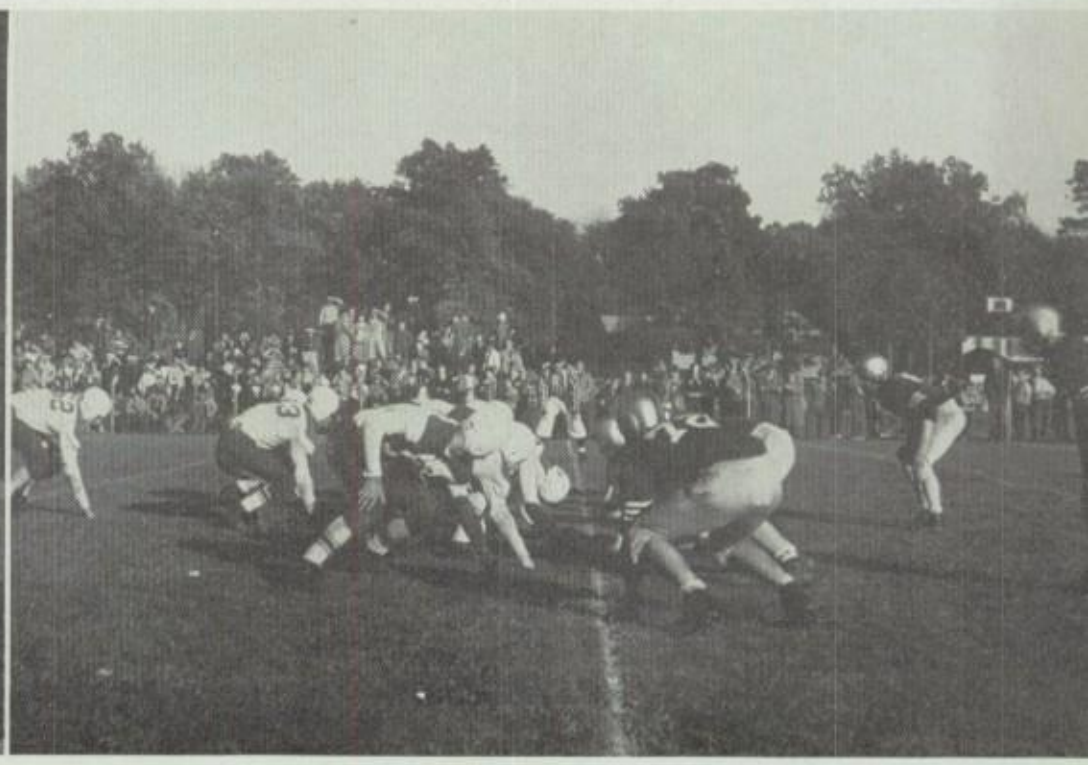
Row 3: Frantzen coach, O'Brien, Pemberthy, Wolf, Lehman, Fry, Merkle, Farar, Underwood, Mayer, Kayser, Stowers, Bower, Hunt, Hillis, Caton coach, Aschenbach coach.

Lake View served merely as a warmup for the Evanston contest, and the Chicagoans were handed a merciless 66-0 beating. The Wildkits got much of the same treatment, falling before the Wave 27-7.

Coaches Walter Aschenbach, Harold Caton, and Pete Frantzen had an abundance of fine material with which to work this year. Warren Ely, Ted Wirth, Tom Richmond, Larry Lauer, Len Gilbert, Rich Anderson, and Bill Kletzien formed an impenetrable forward wall and Bucky Ellis, Bill Hunt, Bill Jacob, Gene Howard, and Jim Smith were outstanding in the backfield. Lauer, Kletzien and Jacob represented New Trier in the All-State selections.

This 1944 football squad can well serve as a pattern from which to mold the New Trier championship teams of the future.





Frosh-Soph

FROSH-SOPH FOOTBALL

• New Trier's frosh-soph gridders lost only one game this year and finished in second place behind the Morton Mustangs. The Grey-Green entered league play with only one practice game and bowled over Waukegan, Oak Park, Proviso, and Evanston, dropping their lone defeat to Morton.

The Triermen had one of the strongest lines in the league and was strong in reserve strength. Hoban, Mahan, Eberlein, Lauer, Shine, Misantoni, Weldon, Rice, Dudley, and Bowler helped compose the forward wall. They were equally efficient on both offense and defense. Outstanding in the backfield were Meyers, Ross, Renneckar, Vallez, and Young.

The Ponies opened the season by trouncing Highland Park 20-0 and followed the next Saturday with a 20-6 win over Waukegan in their first league battle. Morton's second half passing attack put the only blemish on the frosh-soph record as the Mustangs struck for two tallies in the third quarter to win 13-7. This defeat was forgotten, however, when the Triermen walloped an Oak Park eleven for the first time in history by the count of 25-7. The Grey-Green finished the season by beating Proviso and then getting the all-important victory over Evanston.

Coaches Charles Lauer, Miner Coburn, and Lionel Lightner developed some excellent linemen and backs who will be defending New Trier's varsity championship next year. Coaches Alstrom, E. Kahler, and Shearer were in charge of the freshmen whose prospects are also very bright, having done very well this year both as a team and when substituted individually in the frosh-soph games.

J-V

J. V. FOOTBALL

• New Trier's JV football team won only one game this year but it produced many promising players for the varsity squad next season.

The JV's dropped three games to Evanston, winning their only victory at the expense of Oak Park. They lost their three contests to the Wildkits by scores of 20-0, 13-0, 14-0. The Grey-Green defeated Oak Park on a pair of third period touchdown passes from Gay Sherwin to Warren Hathaway with McDonnell getting both conversions in the 14-8 triumph. Hathaway, Sherwin, and Captain Hugh Brower were outstanding throughout the season. Rudy Veedovel showed good, steady playing at guard, and Ed Hartman also should be commended for his work at end. Kenneth Funkhouser turned in his usual fine job as coach. He was assisted this year by Richard Clausen.

Varsity Basketball . . .

DAVIS

VARSITY BASKETBALL

• New Trier's varsity basketball team finished the season in fifth place in the Suburban League and had a record for the year of eight won and ten lost.

This record might not appear too impressive at first, but one of New Trier's victories was over a highly rated Evanston quintet. The Grey-Green were barely nosed out by Riverside, one of the strongest teams in the state, and they were one of only four teams to defeat Elgin. They were one of the few teams to give Morton and Waukegan, league co-champions, a real battle, dropping a two point decision to Waukegan and being taken into an overtime before losing to Morton.

The varsity cagers ran up a total of 705 points for the season to 682 for their opponents. Topping the individual scoring were Bill Hunt and Captain Steve Davis. Outstanding in their defensive play were Jack Lockyer and Larry Lauer, both boys being out part of the season due to injuries. Bill Hiyama went into a mid-season slump but came back stronger than ever in the latter part of the year to help pace the Grey-Green. Mike Zeddies and Park Taylor were a fine pair of junior forwards and played good, steady ball all year. Page Thompson and Gene Howard were excellent reserve guards, both playing their best games early in the season.

VARSITY BASKETBALL

Row 1: Lersch, Howard, Hiyama, Davis, Hunt, Thompson, Dunbar.
Row 2: Bray, Myers, Clark, Bowers, Roberts, Brown, McGanney, Zeddies, Kilner, Taylor.

The Grey-Green launched their campaign with a 40-24 win over Niles and then dropped four straight. In the Morton defeat, however, Coach Chuck Lauer found a winning combination and the next week the Triermen handed an undefeated Elgin quintet a 47-40 upset with Steve Davis leading the way with seventeen points. New Trier then went on to defeat Proviso, Niles, Evanston and Highland Park in succession before dropping a one-point decision to Oak Park. This began another losing streak which included losses to Waukegan, Morton, Proviso, and Evanston before the Grey-Green got their revenge by handing the Parkers a 38-35 setback.

With the regular season completed the cagers turned their attention to the Waukegan Regional tournament. They won their first game and then, in the semi-final round, got the jump on Waukegan and played them off their feet for three quarters until the league champs rallied in the closing minutes to pull out a 30-28 triumph.

Chuck Lauer did an excellent job in his firstyear as varsity coach and is sure to have a fine team next fall when twelve men will return from the 1944-45 squad.

FROSH-SOPH BASKETBALL

• New Trier's frosh-soph basketball team won only two league games this year and wound up the season in fifth place in the Suburban League. Although this record might not appear too impressive for Pete Frantzen's first year as frosh-soph coach, it must be considered that there was unusually strong competition this season with Morton and Evanston leading a field of better than average sophomore teams.

The ponies won their first league encounter against Waukegan 30-16 and their only other triumph was over Oak Park.

Outstanding players for the Grey-Green throughout the year were Lauer, Hodgson, Leonard, Mayer, Moyer, Peters, and Meyers.

Row 4: Collison, Anderson, Wirth, Misontoni, Trevieler, Ruik, Fox, Manager.

VARSITY WRESTLING

• New Trier's wrestling team completed its first year of competition with only two victories, but with excellent prospects for next season. The Grey-Green won their two meets from Zion by scores of 33-6, and 29-5. Two meets each were lost to Morton, Amundsen, and Riverside.

The squad will lose Jack Allen and undefeated Captain Bill Baldwin through graduation, but will be bolstered by the return of Stan Clinton in the 95 lb. class; Jim Barnthouse, 105 lb.; Don Boudreaux, 115 lb.; Jack Lyford, 135 lb.; and Jim Smith and Dick Rindskopf, 145 lb.

Baseball

VARSITY BASEBALL

• Mr. Richard Clausen is the new varsity baseball coach this year and as the Echoes goes to press it appears as though he might have a very promising season. Captain Chuck Hendricks, Hugh Brower, and Eddy Hartmann are returning lettermen who should insure a fine team. Hendricks is tops among the shortstops, Brower is an excellent third baseman, and Hartmann works behind the plate.

Clausen should be certain of a capable hurling staff with Bill Hiyama, Gene Howard, and Jack Lockyer forming the nucleus. Joe Fitch and Chuck Steingraber are the most promising outfielders. There are some very promising juniors moving up from the Frosh-Soph including Ray Michinard, Bud Bray, Park Taylor, and Bill Cowhill.

With this excellent material New Trier should be a strong contender for the league title this year. (Note: We regret that due to the deadline, we were unable to take a picture of the baseball squad.)

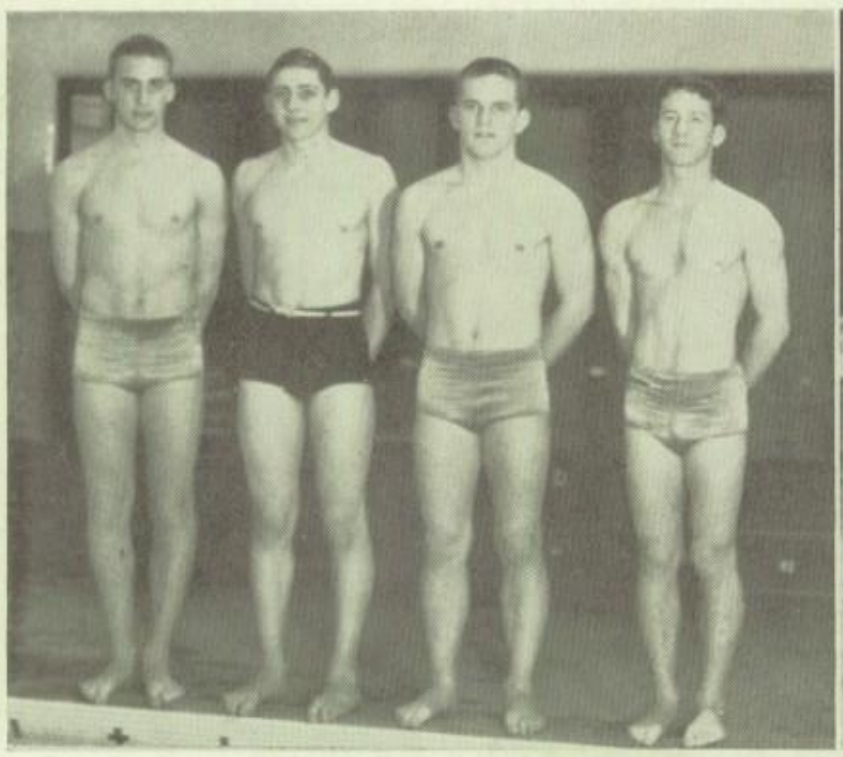
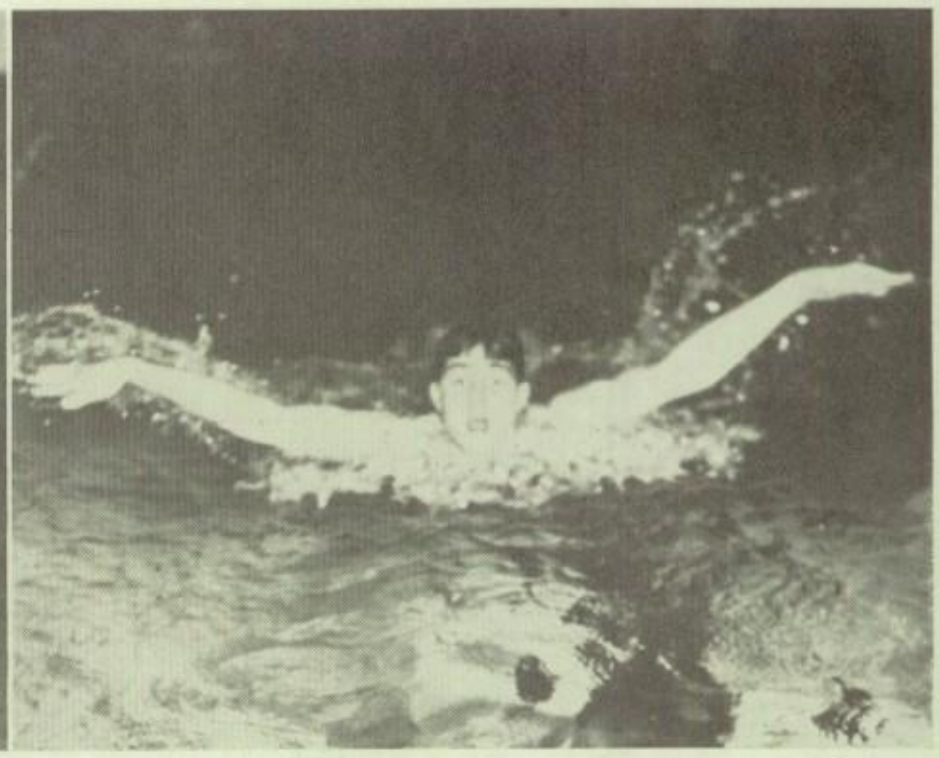
VARSITY SWIMMING

• New Trier's varsity swimming team won the Suburban League Meet for the fourteenth straight year but lost out in the State Meet to Lane Tech.

The Triermen compiled a total of 59 points in winning the League Meet, 28 more than second place Oak Park could muster. The Grey-Green failed in their defense of the State Crown by only three points.





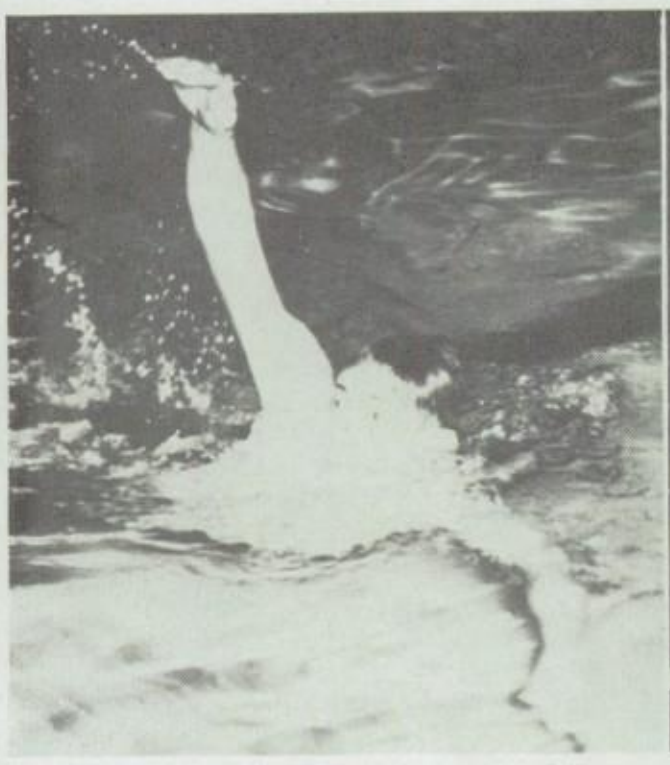
Swimming

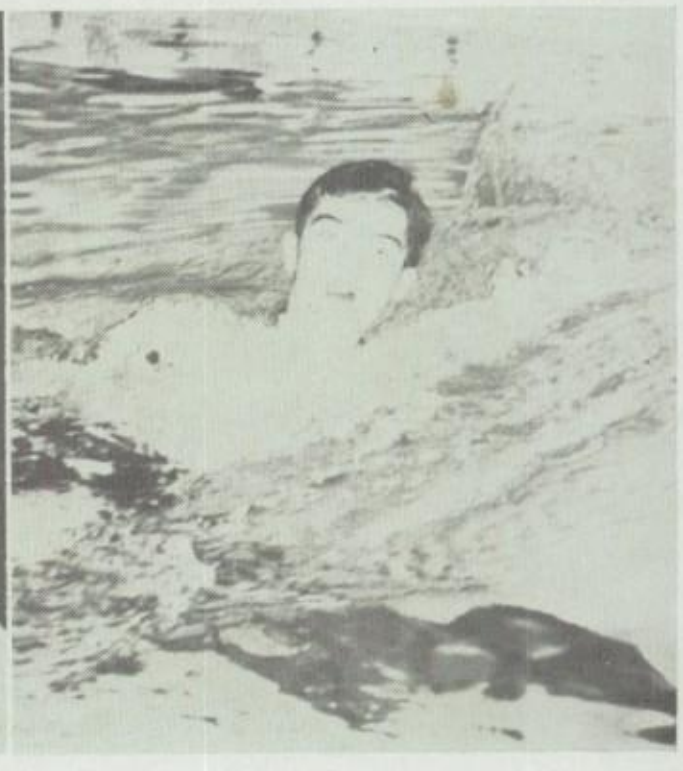
The Varsity mermen went through another season without losing a single dual meet, having their only difficulty with Oak Park.

The Grey-Green had many lettermen returning from last year's championship squad and were strong in every event. Lepman and Ellis were outstanding in the 50 yard free style and were consistent winners all year. Solberg and Tucker won the points in the breast stroke, Solberg setting a new record of 1:07.1 in the league meet. Mergener and Copp were the leaders in the backstroke with Kaufman backed up by Lascelles and Hildreth in the 100 yard free. Kaufman won the State 200 yard free style and Solberg won the State 100 yard breast style.

Bernard Bernardi again led the Grey-Green divers taking second in both the league and state meets.

The 200 yard relay team of Lehman, Ellis, Kaufman, and Lepman set a new record in the league meet with a time of 1:39.7. The relay team of Ellis, McKearnan, Lepman, and Kaufman won the State 200 yard relay.





Frosh-Soph

FROSH-SOPH SWIMMING

• New Trier's Frosh-Soph swimmers followed in the footsteps of the varsity mermen by again winning the League Interscholastic Meet for the ninth year straight and retaining their league championship. The Triermen went through their dual matches without a defeat and amassed 61 points in the league meet, to second place Oak Park's 27.

The frosh-soph's outstanding performers throughout the season were Porter, Seeley, Rigler, and Ritter in the 50 yard breast stroke; Lechner, MacTaggart, Showers, and Strodel in the 50 yard free style; Co-Captain Lippincott, McKee, and Street in the 75 yard free; and Co-Captain Nadler, Parfitt, Hindricks, and Jeangerard in the backstroke.

In the diving Haase, Bowler, Hosbein, and Hart were consistent point winners with Bowler winning the event in the league meet with 78.87 points.

New Trier's 150 Medley and 200 yard relay teams also took firsts in the league meet, the former being composed of Nadler, Rigler, and MacTaggart and the 200 team made up of Street, Strodel, Showers, and Co-Captain Lippincott.

Guards

THE NEW TRIER GUARD

• The backbone of the swimming organization is the New Trier Guard. This organization of twenty swimmers is composed of boys who are interested in teaching and supervising all swimming planned by the school. The Guard is strictly a service organization, the members serving without expecting an award of any kind. The head guards for 1944-45 were Don Kaufman and Bill Tucker. To be the head guard is the highest office a boy may hold in the swimming organization.

VARSITY TRACK

• New Trier's defending league and state track champions appear well on their way to another banner year as the Echoes goes to press—undefeated in dual competition, the Grey-Green dropped the Suburban Meet to Oak Park by eight points, winning as many events as the Parkers, but failing to take as many seconds and thirds.

Coach John Nay has a great many men returning from last year's fine squad including Co-captains Warren Ely and Dick Warfield—Ely set a new fieldhouse record for the shot put and broke the league record with a heave of 53 feet 2 inches—Warfield smashed two league marks in the high and low hurdles, doing the 60 yard lows in :07.1 and the highs in :07.6, taking 1/10 of a second off the record made by his brother, Ware in 1939.

Buzz Collins was another record-breaker as he did the 50 yard dash in :05.5 to tie the mark which has stood since 1931.

Stuart Olson is the Triermen's most consistent winner in the half-mile, Stu's time always being around 2:04. Other point-getters for the tracksters are Van Arsdale, Smith, and Talbot in the hurdles; Mills in the shot put; Penberthy in the high jump and Bahr in the pole vault; McNulty in the dash and relay; Kunzelman and Jacob in the broad jump; Jirgal and Morand in the mile; and Kearney in the 440 and relay.

It is a formidable team that New Trier will send to Champaign to defend the state crown.

FROSH-SOPH TRACK

• This year's Frosh-Soph track team was right up near the top all season, winning practically all of their dual meets and dropping the Suburban League indoor clash to Oak Park by the slight margin of 2½ points. The team showed improvement all year and prospects for out-door competition were bright.

Outstanding among the Frosh-Soph competitions this year are Hilliard, Young, Misantowi, Rennacker, Donahue, Jacobi, Robertson, Grater, and Weldon.

I. M. SPORTS

• In order to give as many boys as possible a chance to participate in sports, the intramural sports program has been made an active organization at New Trier. Thus many boys, who would be unable for one reason or another to be active in varsity teams, may take part in a wide variety of sports in the I. M. program.

At the beginning of a season for a certain sport, a signup sheet is sent to every advisor room, and signed by those interested in that particular sport. Among the sports included in the I. M. sports program this year were soccer, basketball, table tennis, golf, horseshoes, football skills, and tennis. Advisor room athletic managers handled the program in the rooms.

Assisted by the Sports Club and headed by Mr. Clausen, 159 boys participated, first to determine class champions, then weight divisions and school champions, showing great promise for next year. Direction of the I.M. sports program is handled by Mr. D. Showley.

Golf and Tennis

TENNIS

• Coach Flaningam's team will be out this year to get the league crown away from Evanston. Although the team had not yet been chosen when the Echoes went to press, likely prospects are Jay Green, Dick Kilner, Ned McGanney, Jim Myers, and Jay Woldenberg.

GOLF

• Despite the loss of several letter men from last year's squad, with Captain Jack Carney, Aaron Jones and Edgar Hillner as high point men, the prospects for this season are encouraging. New Trier has made an exceptional record in the past years. From 1934 to 1942 New Trier golf teams have won four District Meets and taken three second places. In the Suburban league they have won six championships and tied in one.

GIRLS' ATHLETIC ASSOCIATION

• G.A.A. under the able leadership of Susan Engelhard, the President, has enjoyed one of the best years of its career. Participation in intramural activities has increased considerably which is partially due to Annie Vaughan, Intramural Sports Chairman and her efficient helpers. Elizabeth Siefkin, Vice-President, initiated a new system of presentation of Awards when award assemblies were held the morning of the banquets. Virginia Beaven as treasurer kept all of the accounts in order and Beverly Spielmann, Secretary, recorded all of the exciting events of the Association.

Judith Booth, Social Chairman, and her committee outdid themselves on the G.A.A. banquets which were the largest in the history of the Association. The fall party for Freshmen and new girls, the teas for the advisers and all other events managed by this committee were ably executed. Lynne Billow, Publicity Chairman, assisted by Joan Illium and her committee, produced some of the finest publicity that the Association has known. Anne Farr, Service Chairman, secured and scheduled page girls and door guards for each semester and did a superior piece of work on the gym-jams. The intramural games ran smoothly due to the fact that Alice Mary White, Chairman of the Officials' Committee and assisted by Mary Riggs, developed some efficient officials in all sports.

The fall quarter was a busy time for all girls. The freshmen and new girls turned out in great numbers for a playday, which introduced the G.A.A. fall sports. Exhibition speedball and hockey matches demonstrated the finer points of the games and were staged by Nancy Williams and Marilyn Walker, their respective sports heads. The juniors won the speedball tournament and the seniors triumphed in hockey. Perhaps the highlight of the season was the hockey game between the varsity football team and the senior "champs" with the boys coming out with the long end of the score. Riding, headed by Alice Colburn and assisted by Suzanne Sizer, completed a successful season and for the first time riding was offered during the winter season. Recreational swimming, in charge of Mary Wolsey, head of the sport, filled the pool with girls who enjoyed this activity twice a week.

Volleyball, recreational games, swimming, and rhythms were very popular during the Midseason. Susan Radder, Head of Volleyball, led the girls through a series of successful tournaments. The class event was won by the sophomores. Under the direction of Hope Everham, Recreational Games which included badminton, table tennis, et cetera, were enjoyed by all. Virginia Hess and her dancers worked diligently all year to produce a fine dance demonstration in the spring.

The Winter Quarter was highlighted by the supper held on March first. Five hundred girls enjoyed the dinner, clever decorations, awards, and skits given by the students and the faculty. The new G.A.A. song written by Susan Engelhard to the tune of Semper Paratus added zest to the evening. Miss Wilson's adviser group was honored for its high degree of participation. Basketball, headed by Patricia Taylor, was extremely popular and the freshmen participants literally hung from the ceiling. Victory Corps was open to juniors and seniors and Nancy Edwards, Head of the Activity, kept them all in condition. The telegraphic and class teams were chosen in swimming. The guards, under the able leadership of Barbara Cody contributed im-

measurably to the safety and teaching of swimming of the girls who participated in the after school swimming. Square Dancing held on some Wednesday afternoons and at the Gym-jams was organized by Madge Cunningham and proved successful as a coeducational activity.

The Spring Quarter featured riding, baseball, lacrosse, golf, archery, tennis and life-saving. The riders culminated their season with a horse show. Baseball, as usual was very popular under the direction of Nancy Ritter. Class teams were chosen and games were played. Lacrosse had a fine season under the guidance of Ellen Finney and her co-head, Margaret Rose. Golf, due to the transportation difficulty, was limited to instruction on the school grounds but Anne Benson, Head of Sport, made the most of it. Archery, with Dorothy Lidecker as its leader had a successful playday at the beginning of the season and ended the activity with a tournament. Tennis with Sally White in charge had a good season both spring and fall. Life-saving produced some capable lifeguards for the summer and next year. The year ended with the usual banquet and initiation.

Sophomores . . . . . .

Sophomores

• This year the Sophomore Class, whose officers are John Robertson, president; Edith Watkins, vice-president; Nancy McMartin, secretary; and Dick Crawford, treasurer aided by the adviser chairmen, Miss Hurst and Mr. Grinnell, has a great deal of credit coming for the many things it has accomplished. For the first time in quite a few years, this class has acted as it should—as sophomores. They seemed to know what responsibilities were theirs, what was expected of them, and in general admirably proved themselves worthy of becoming next year's upperclassmen. Also the so-called "sophomore slump" was almost entirely eliminated, for the scholastic rating of the class was found to be very good.

In addition to their well-rounded participation in school activities, the sophomores also found time to enjoy the annual sophomore party. This party is a tradition, and its main function is to enable the members of the class to become better acquainted. Entertainment was provided by the class' own talent, and dancing followed afterwards in the dining hall.

If the sophomores conduct themselves in the same manner for the next two years, New Trier will indeed have cause to be proud. Welcome, Juniors of '46.

Juniors

• Under the capable leadership of Pat Cory, President; Clif Stowers, Vice-President; Nancy Edwards, Secretary; and Bob Merrifield, Treasurer, the Juniors have proven that they are well qualified to accept their important responsibilities as upperclassmen. The important event of the year was the Junior Prom, which, due to the careful planning and enthusiastic efforts of the officers and the committees, was a complete success.

The Juniors took a very active part in all the school activities, including the bond drives and stamp sales. Again this year, Juniors were elected to the TNT electoral board. Next year, if they continue to maintain their active records, they will become members of TNT and elect next year's board.

A great deal of credit should go to Miss Hamilton, the chairman of the Junior Girls, and Mr. Vernon, the Junior Boys' chairman, for their help in maintaining the high standards of the class.

NEW TRIER WILL REMEMBER YOU . . . CLASS OF 1945

• From that first morning in September when you entered New Trier to the day that you graduated you have helped to build and improve your school. The energy and leadership which were evident during your first years have asserted themselves and during your senior year you have led the school and your class in many fields. The Bond drive, the banquets and dances, the athletic championships, the charity drives, the February Graduation, the dramatic productions, and the student canteen, are all proof of the outstanding leadership shown by your class.

As the first class to have spent your four high school years under wartime conditions you have been called upon to direct the school in increasingly difficult responsibilities. You have shown your worth. Seventy-seven of your members are now engaged in serving their country and one, Frank Baer, has already given his life. The war has been ever-present in your minds. This is evidenced by the excellence of your leadership in the school wartime activities. Yes, class of 1945, New Trier will remember you, you have left an indelible mark on your school.

We have tried this year to make your yearbook a worthy memento of your senior year. We have given more space to the teachers and departments, space which we feel was well deserved. From the available photographs we put together a snapshot section which, we felt, was more inclusive. Also in the writeups of senior activities, we have given credit to the seniors who have done more work in music, or performing with the Verse Speaking Choir, than required for school credit. This has been indicated by "M.S." (music service), and then either "B." (Band), "E." (Ensemble), or "O." (Orchestra), and by "V.S.C.S." (Verse Speaking Choir Service). The three color zincs are an addition which we feel add greatly to the appearance of the book.

We hope this yearbook meets the approval of the senior body and lives up to the standards set by the seniors in all other activities.
